Okay, I just needed to know if that needed to be part of the conversation I have with them on the phone before I send the email.

Subject: Calling TV stations

It has been sent to everybody on my editor list for newspapers and I have a list of tv stations I am going through. I was just asked if we are sending the release to the tv stations because we want them to be there to cover it, I said yes of course, but I was just wondering if that was the sole intent of calling them.
