That works...why don't you come by there, then? Josh will probably sit-in on our side too. Thanks.

I'd prefer to talk in person... we can come there or you're welcomed here – just let me know which your prefer.  
Thanks

Sure, I'm open early this afternoon (until about 2) and then pretty much all day tomorrow, if either of those work. Thanks.

Hi Christian,

I'd like to talk about your request regarding tax incentives. We have some questions before we proceed further. Is there a day and time next week we can talk?

Thanks,  
Frank
