Not sure she read.....if you want to confirm, I believe it's just handing out awards and smiling for pictures. I took Kristina with me for a year until I knew the drill. But I don't think this one has a speaking component

Brittany,

Hope you are doing well. I wanted to let you know that I am no longer serving as the Director of LLR as I have

taken the position of Chief Legal Counsel for Governor Haley. The new Director of LLR, Emily Farr, will begin tomorrow at the agency. I am sure that either she or Kristina Baker, LLR's Chief of Labor, will be available for the September 9th Safety Conference. I have copied Stephanie Collier who is Director Farr's Executive Assistant. She can help you coordinate with the new Director.

Thank you,
