Katherine:

All escalations have been addressed. Individuals without credit have been transferred to the correct team for assistance. Is there a specific escalation that I can research?

Ozzie and Greg,
Just checking the status of the constituent questions from this week – have they been completed?

We have a Senator who “timed out” during his enrollment process – he called the call center and they told him he would receive a notice in the mail in 10 days with an activation code to complete the process. It’s been 15+ days and he hasn’t received the notice. He is extremely worried at this point. Can you please have someone call Senator Williams to complete his enrollment process?

Senator Kent Williams

843-430-5983

kentlogan@aol.com

He is expecting the call.

Thank you,

Katherine
