Dear Gov. Haley -

I wanted to congratulate you on your nomination to be U.S. Ambassador to the U.N. This is an exciting opportunity and I appreciate your willingness to serve in this role in the Trump Administration.

I am very pleased at the way the G.O.P. is coming together since the election. The real work begins now, and we must all do our part to help ensure the success of Mr. Trump's presidency.

Best wishes -

Sincerely,
