Subject: New Forensic Software Launch

Susteen, Inc. June Update

Secure View has gone through a major update. Updates include new reports, added data acquisition, updated link analysis and increased passcode breaking abilities.

All current Secure View NUC and Physical Viewer users will be upgraded to APEX at no cost.
Don't have Secure View Physical? Buy Today!

Attending the upcoming Techno Conference? We'll be doing a presentation on June 7th from 1:30-2:30 PM. Stop by our booth and come hear us speak on Pincode/Passcode breaking for cell phones. NEED TECHNO PASSES? We have a few FREE passes to the Techno conference available.

Secure View **Physical Analyzer** **Now Available**

Secure View's new APEX: Advanced Physical Explorer is now available for all current Secure View customers to purchase. This advanced Physical Analyzer can acquire physical data and parse through physical files. This allows the user access to more deleted data, application data and database files. The cost of the APEX is \$1995 but current Secure View customers can purchase at a discounted price of \$995 through the month of May and June. **Request a quote today!**

The Future of Pincode/Passcode breaking is here! The all new Burner Breaker is the **ONLY** tool in the world capable of breaking into Burner Phones, Throw-Away Phones and Pre-paid phones. This product can be built in your lab for unlimited use. [Contact us today!](#) Open old cases and find new evidence.
