Hello Christian,

As I mentioned during the Commission Meeting, the Strategic Planning Committee has identified

the Claflin University Saturday Academy Program as the most likely program to have success in expanding to serve the Committee's target communities. (Allendale, Bamberg, and Barnwell Counties.)

This year, CNCS will be allocating additional funding to support Competitive applications that have the written support of the Governor and at least one Mayor. Would it be possible for you and I to meet on Monday October 21st to discuss the potential of gaining Governor Haley's support for this project? I have blocked off my calendar for that day, so you can name the time.

Thanks,
