**Subject:** CNN confirming plutonium shipment letter

---

Hi Chaney -

I'm a reporter with CNN looking to confirm that Gov. Haley wrote a letter to Energy Sec. Moniz urging him to stop the shipment of weapons-grade plutonium to South Carolina.

Can you confirm the letter & provide a copy?

Hoping to match this Reuters report as soon as possible, so please confirm when you can: <http://www.reuters.com/article/us-usa-japan-nuclear-idUSKCN0WQ1NO>

Thanks,

Jeremy
