

(Attention) Mrs. Nikki Haley

12/01/2015

Mrs. Haley first of all I would like to thank you for taking the time out of your busy schedule to read my letter it means alot I must say.

My name is Tony Stonell and I'm 42 years old single parent with a daughter that lost her mom to breast cancer 6 years ago. With that said you can see how much she needs her father.

I just wanted to let you know that I have attended AD SAP classes in Greenville County at the Phoenix Center, but I was wrongfully dismissed from the class on my last night at graduation time. I never failed a drug test nor did I miss any days or come in late. I paid \$525.00 entry fee to take this course to get my drivers license back. I havent had my license over 20 years. And my life just keeps on going down cause I have to drive at times. But anyway to finish telling you that I had final 38 page exit report finished and ready for class when the instructor called me outside and said that they had to dismiss me from class because of a phone call they received, but would not tell me nothing else. So now I cant get my money back from them no money at all. And that is not right at all. I successfully finished class as I seen it. All clean drug screens and all. I need my license back bad really bad. I cant get me an attorney to help me or nothing. I turn to you to help me any way that you can please. (over)

I will pay my re-instatement fees in full, But I cant Afford to be done like that and take my money like that. And nothing I can do About it. "Its Not Fair" they suppose to help people not take thier money. I got to drive to work. And I get Stopped or Run thru Check point over And over And just keep getting further back in Life itself. I really need your help whatever you can do to help me. After All you are our Governor. please help me straighten my life out I really need it Bad. Or I will be Spending a lot of time in Jail for driving offensives. Mrs Haley you will be the only chance I will ever have; So please help me I need it so bad. I will never lose my driving priviledges again.

Thank You For your Time

Tony Stonell
