Do you like to watch birds? One of the simplest way to attract and watch birds in your own yard is a bird feeder! Check out this video compilation of the beautiful birds spotted at the bird feeders at Myrtle Beach State Park this past January! Then, get you a feeder and some seed and enjoy!

Sharon Boura Hudson We have a very large variety of birds at our feeder in Forestbrook, but none of the ones at your feeder. Maybe we need a different selection of seeds?

Donna Bookhart Berry I Love this. This is way cool. I didn't realize such a variety of birds don't make it to MY feeders.
