Robert – It is almost COB, so I wanted to let you know that we have not yet received your check. If you choose to resend a check, then please mail it to our postal director's preferred address, our mailing address:

Governor's Office
c/o Holly Pisarik, Chief Legal Counsel
1205 Pendleton Street
Columbia, South Carolina 29201

While I cannot recall having an issue with other letters being lost in the past, I do offer a sincere apology to you for this inconvenience, especially since we received your check with no problem.

Thanks. Please me know if it does not arrive today. Would mean two straight checks have been lost. If so, I will send certified mail tomorrow morning.

I received all of your voicemails and emails and apologize for the delay in getting back to you, but I have been in committee meetings all afternoon. I just checked our mailbox, and your check has not arrived. I will contact our postal director right away to check with him as well. As soon as the check arrives, we will let you know.
