## Dear Partners In The Harvest:

20 Vets tragically commit suicide in the United States every day. That translates to 140 per week. But when a therapy dog is involved that statistic goes down to almost zero. That is why as MSC missionaries with the NAMB we are excited to partner with "Canines For Christ" to share God's eternal love through the Lord Jesus Christ!

So we want to share how God is using our therapy dog Molly to be "Jesus In Furs" to a watching and hurting world.

Molly was left out in 18 degree weather to die at six weeks old. But God had another plan for this sweet girl and she was rescued. We adopted her at 8 weeks old. When Molly turned 2 we took her through Petco's basic obedience school. Then I started training her as a Therapy Dog through "Canines For Christ" [www.k9forchrist.org](http://www.k9forchrist.org) under the leadership of Chaplain Larry Randolph. Molly received her basic certification in early 2012 as a Therapy Dog. Over the last 3 years Molly has brought joy and comfort to Donaldson's Assisted living facility where she was honored recently as volunteer of the year!:) She also has been a frequent guest at Provision Assisted Living and Memory Care. Molly was involved with Camp Progress and was a hit among the mentally challenged children. Fox 17 did a story on her and can be seen at [https://www.youtube.com/watch?v=qVAjXs0q\\_a4](https://www.youtube.com/watch?v=qVAjXs0q_a4) Molly has just passed her 1400th visit making an eternal difference in lives young and old daily. So as missionaries to our military with the North American Mission Board we are partnering with "Canines For Christ" in reaching our world for Jesus Christ!

So Marilyn and I ask that you pray for us. Pray we continue to be faithful to what God has called us to do. Pray for wisdom and safety as we travel. And pray God will prompt others to come

along side us financially. May God continue to bless each of you as you share Jesus with others!

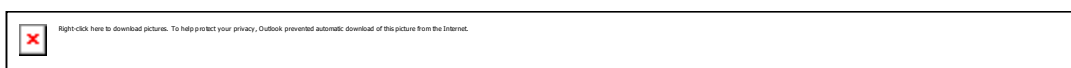

Because Every Life Eternally Matters,  
Ron Marilyn and Molly

John 3:16-17
