### **EASOM AND ALSTON VISIT RCI KOREA, DELIVER ONLINE LECTURES**

Dr. Leisa Easom and Gayle Alston worked with colleagues to enhance the Caregiving Certificate program offered at the Cyber University of Korea by teaching four classes in the “Best Practices in Caregiving” course and filming online lectures focused on evidence-based programs offered by the RCI Training Center for Excellence. Additionally, they met with a group of 18 graduates of the Korean Certificate program to have an in-depth dialogue regarding the current state of caregiving and the need for change in South Korea.
