Ladies,

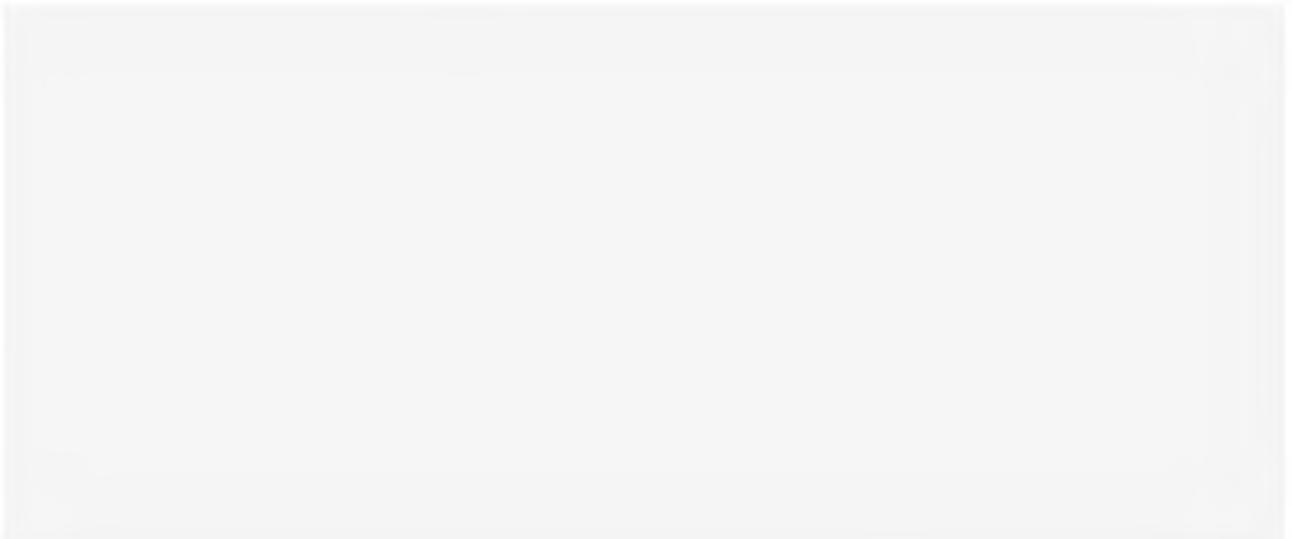

I am excited to say The John Brackett Trio is available on April 16th. Let me know if you are still looking for entertainment.

Thank you.

Cherie

John Brackett was raised in Virginia and started playing piano at the young age of 5 years old. His instrument in High School and College was trombone. He graduated from Brevard College and studied music at William and Mary. He played at various Jazz Clubs in the Washington Area. In 1989 he moved Hilton Head Island, where he was the featured band at Big Rocco's for 9 years. His band was all the rage at the Blue Night Club for 4 years and then on to the Jazz Corner for 6 years.

John is now is a full time photographer and I feel always excited when he is available to play. John usually plays with Bass and Drums and Saxophone as a fourth piece. He has a wonderful voice as well, and has the style and Sound of Harry Connick Jr. A wonderful talent.

Dear Amy and Katherine,

David Leffew, the Director of Catering and Convention Services at the Sonesta Resort emailed me and asked if I could assist you with entertainment for your reception you are hosting at the Sonesta Pavilion on Thursday, April 16th of the Heritage Tournament.

He said, that Amy, you are with the SC Department of Parks, Recreation and Tourism and Katherine, you are with the Governor's office and that it would be a joint reception.

I would be delighted to assist you. As you know, that is a really busy week, and would like to help you as soon as possible to be sure you have the best entertainment possible. Are you looking for background music or something more upbeat? How many people are you expecting?

Please let me know if I may assist you, what you are looking for, budget and I will get right on it.

Thank you.  
Cherie
