Sorry for the delay. I am out of the office and do not have access to my calendar. I will check tomorrow afternoon when I return.

Thanks.

Hi Tony,

I'm just doing a quick follow up to folks I haven't heard from yet about the dates below. Sorry to bother you so soon after sending the request for dates out... I just wanted to nail down meeting time before people's calendars fill up again. (If you don't know yet what might work, I understand! Just thought I'd double check in.)

Thanks,  
Eleanor

**Subject:** Other possible dates for next steering committee meeting?

**Importance:** High

Hi everyone,

Several of you have indicated that April 25 will be a difficult time for you to make a steering committee meeting.

So, we would like to investigate other options. **Please let me know your availability for other possible meeting times listed below.** (If shifting a suggested meeting time a little later or earlier would help you, please indicate that as well.)

- April 23—10:00 to noon
- April 25—10:00 to noon
- May 5—10:00 to noon OR 2:00 to 4:00pm
- May 6—10:00 to noon OR 2:00 to 4:00pm
- May 7—2:00 to 4:00pm

It might turn out that we still end up having to go with April 25, but maybe we will have luck identifying another option. (When we do get together next, I think it would be beneficial for our last item of business to be scheduling our next meeting.)

I am looking forward to our next meeting as I know we'll have lots to discuss. Feel free to call me to discuss your

availability if you prefer.

Thank you,  
Eleanor
