Rob, Chaney,

Is there any chance I can get Governor Haley or a spokesperson on the phone for five minutes (and I really mean 5) today to talk about her being chosen to give the response to the State of the Union? I want to get a preview of her remarks and ask why she is the perfect person to be chosen.

I work for American Family Radio, a network of almost 250 stations across the county including at least one in South Carolina.

Please call me at 662-821-2039 x 407.

Thanks for your time,
