Elf Kester-

I understand we had an early Christmas yesterday at several senior centers.  
Hank said Yancey was a combination of Santa Claus and Billy Graham.  
He was also a great spirit lifter for participants and morale booster for staff.  
I understand several directors are still happy and smiling this morning.  
Good job. My only question now is, after giving away 60-inch TVs, what does he do for an encore?  
Sorry I was tied up and couldn't be there.

Chris

By the way, if the flat screen warehouse isn't empty yet, we need two 60-inchers for the COG board room.
