Michelle Christian I found a Sand dollar at folley beach this summer when I was in the ocean I felt something and picked it up. It was still alive and fully together. I showed my kids how it was still alive and showed them how it moved underneath and then I dug a little sand and covered it back up. It was so cool. ♥

at 13:40:40 on 9/24/2020 UTC

Donna Rabon We saw these at Garden City and got the videos ! We also say them later (a few weeks) at Myrtle Beach State Park ! It was amazing ! This was the first time that we have ever seen this many star fish and we are always at Myrtle Beach State Park (OUR FAVORITE PLACE TO CAMP)

at 16:21:31 on 9/24/2020 UTC

Mary Anne Deal Jenkins There were so many! The pictures don't do it justice. I've never seen so many in my life!
