According to the DMH website,

http://www.state.sc.us/dmh/legislative_update/2013/April24.pdf

The Department is asking for \$12.5 million in additional recurring and more than \$60mm in capital improvements.

They say the Governor's recommendation for Executive agencies adds \$11.3mm in recurring and \$1.5mm in capital.

My question is, is the governor keeping her promise to make mental health funding a priority?

My story airs at 5:30pm!

Thanks
