The 8th is fine. It is not a surprise. I need the day that has our most active and experienced project managers

Governor,

Nicole gave me two possible dates for the Project Manager meeting at Commerce:

- May 8th at 4:30 pm - Jennifer and 2 Project Managers are out
- May 12th at 4:30 pm- Jennifer and 3 Project Managers are out

Jennifer thought it may be difficult to find a time when everyone is in the office but said she would ask either George or Sec. Hitt to be there in her absence.

Do you want to move forward with scheduling for the 8th? And do you want this to be a surprise visit, or should we notify the PMs ahead of time?

Jennifer did also say they were looking forward to the Mansion event on the 28th.

Thanks,
Beth
