I am writing to let you know that Symphony League would like to present Shirley's award on April 4th at the general meeting. I know the Governor cannot come but would like for her to send a surrogate if possible with a letter to be read from the Gov. I will be sending invitations asap. I am sorry this is such a short notice but because of Dr. Henderson's health this was the only time they could come. I will be sending you the invitation to you soon. Please let me know of anyone that you all would want to be on the invitation list. Thank you so much for your help.
