Action Officers:

Thank you to everyone who was able to attend or call in to the RGPPC briefing on congressional legislation addressing security concerns re: the vetting process for refugees.

The legislation we discussed this afternoon is linked here: [H.R. 4038](#) , [H.R. 4197](#) and [S. 2363](#).

As a follow-up to the briefing, attached to this email please find:

- 1) The House Homeland Security Committee report on the security risks and counterterrorism challenges associated with the Syrian refugee crisis. The full report can also be found online [HERE](#).
- 2) A PDF provided by Governor Abbott's office containing additional information re: legislation discussed today (HR 4038, HR 4197, S 2363).
- 3) The PDF also includes a draft letter to congressional leadership that Jerry Strickland, director of federal affairs for Governor Abbott, is requesting other governors' offices consider signing on to. Pending interest, the target send date for this letter is January 4.

If you would like to provide edits to the letter, please email Jerry Strickland at strickland.jerry@gmail.com by Monday, December 21st. If your boss would like to sign on to the letter, the deadline to sign on is COB, Wednesday, December 23rd.

As always, please let us know if you have additional questions.
