Subject: 8th Annual Cyber/EW Convergence Conference - Charleston, SC

---

Invitation to the Governor's Office;

Given the recent works with SC Cyber, the South Carolina Critical Infrastructure Cybersecurity Working Group created by former Governor Nikki Haley and Governor McMaster's Executive Order 2017-08, I wanted to make you aware of the annual conference next week in Charleston at the SPAWAR Conference Center. We have several leaders and professionals in the field speaking and quite an impressive audience of professionals as well. Participating and/or attending would most likely help you Cyber Security efforts.

You can find more detailed information regarding this conference at the following link.

<http://crows.org/event/192-aoc-conferences/2017/06/06/81-8th-annual-cyber-ew-convergence-conference.html>

While the conference is held at a classified level, we have several evening events that may provide you an opportunity to join in if you desire. As the chapter president of the local AOC Chapter that puts this conference on, I'd be happy to work with your office on attending and/or participating in some fashion. My contact info is below.
