## Environmental Foresight and Vision Reaping Benefits for Freightliner Custom Chassis Corp.

by Kristine Hartvigsen

Like its revolutionary, high-tech "Inspiration Truck" introduced in 2015, Freightliner Custom Chassis Corp.'s zero-waste-to-landfill program today practically drives itself. Completion of the heavy lifting needed to establish the waste-management infrastructure is largely attributable to foresight and planning that date back over the company's 22-year history.
