Peggy sent me a copy of the letter sent by Senators Hutto, Nicholson, and McElveen (see attached). She acknowledged receipt, but does not plan to send them a response until we receive an official response to our waiver request. I believe Barbara has spoken with the Governor's office.

The Senators want you guys to keep E&T and sent a letter notifying FNS that they think it should stay with you. Didn't want to blind side you. I also am putting together a training on ABAWDS. Going to try and do a webinar for folks
