Okay, so yes to the one regarding planned parenthood but I have some jointly about planned parenthood and Obamacare. I also have a few just on Obamacare. Also the ones on the gas tax are specifically in response to the editorial.

Dear \_\_\_\_\_, I absolutely oppose even one penny of funding for Planned Parenthood. I not only oppose Planned Parenthood because they take the lives of the least among us but also because they then use the bodies of those lost souls for profit. I very much support our new President and his stance on this issue.

Dear \_\_\_\_\_, please see this editorial for my thoughts on the latest effort to raid your wallet at the gas pump.

Dear \_\_\_\_\_,  
Thank you for your email and for sharing your concerns with the Affordable Care Act (can call it Obamacare) and Planned Parenthood. I share your concerns and continue to share my opinion on these issues.

Dear \_\_\_\_\_,  
Thank you for your email regarding our Roads and the Gas Tax. I oppose the Gas Tax because simply taking more money from the taxpayer without fundamentally changing how it is spent will not fix our roads. I firmly believe that our roads are not a funding issue, they are the result of how the funds have been directed.

Thoughts?
