Hi Holly-

Yes, we can produce videos. I've also suggested to Dana that we reach out to Alan Cooper, Midlands Biz and a friend of our Foundation, for his help. He is a seasoned professional and may be willing to help.

We would be delighted to provide you with updates on Mondays and Fridays. Dana and I will coordinate this next week.

Thanks for your help.

A couple of things –

1 – I asked Dana yesterday whether you all have the capability to produce videos and secure PSA slots through various media markets. Dana was going to follow up with Cherise. I'm just following up to see if you guys know that answer yet.

2 – I have been daily checking the online credit card donations link Dana sent me. That's very helpful. The Governor has asked for a weekly, itemized list to include donor name and amount. She wants to make sure our office is following up with donors, and she wants to ensure she is sending handwritten thank you notes where appropriate. Can you all send me that list every Friday or Monday?

Thanks, Holly
