Subject: H.4008 Medical Peer Review

Attachments: H 4008 Peer Review Summary - June 20 2012.docx

---

Katherine,

Attached is our 'one' pager explaining medical peer review, its importance to quality patient care and safety, and, in italics, the major provisions of H.4008 (Harrison). It was ordered to be enrolled for ratification yesterday. Senator Peeler introduced the companion bill (S.771) but the House bill was farther along in the legislative process.

This has been a legislative priority for us these past two sessions. As you can imagine, Governor Haley's support of the bill is very important to the hospital community. As we discussed briefly yesterday, we would love to have signing 'event' with the Governor and those involved in its passage.

Please let me know if you have questions or need more information.

Thanks,

Elizabeth
