Dear Gov. Haley:

I just saw a show  
on P.B.S. about the  
AIDS crisis in  
rural So. Carolina.

It is a poor  
black area where people  
are dying from AIDS  
because they don't have  
Drs., hospitals, or  
medicines.

This is so wrong.  
What are you doing to  
help these people?

Sincerely, Sharen Lehman
