Good afternoon—

In an effort to continue to provide you with the most accurate and timely information, we are requesting that you provide our office with an update to our directory. We understand that job titles vary greatly state to state and we did our best to come up with the wording that best describes the role in each state. We also welcome any additional staff that you would like added to the lists.

Please note that as in year's past, we will not share your emails or cell phone information with outside parties. Please feel free to call Byron or myself if you have any questions on this document.

Martha
