Holly, Earl will be out of town until Friday evening, March 4<sup>th</sup>. However, if the Governor wishes to visit this week, I would suggest Wednesday or Thursday, from 10 am until 300 pm. His construction foreman, Merlyn Martin could represent their operation for her visit. We will also follow up to find alternate dates and times over the next two weeks.

Cheers,  
Dan

Phleisha, I happened to talk to Holly yesterday – none of these options are going to work. Please coordinate with Earl for additional options over the next several weeks and we'll reattack on this

Thank you

Holly – options for the Governor's visit below --- I recommend visiting the two Southside of Sumter sites – present coins at both sites (right across the street from each other with 4-6 people on each site. If she has time, we could in fact head to the other side of Sumter to make the contrast of what is and is not being done as a result of the "Faith-based" VOADs. Shout back if you need anything else to make this work. I will ensure the Governor has plenty of Disaster Coins to recognize our partners. Thanks

Kevin

Earl Boulder (Mennonite Disaster Services Storm Aid Sumter SC) will be available on the following dates/times:

- Wednesday, February 24, 2016 from 8 am to 3 pm
- Thursday, February 25, 2016 from 8 am to 3 pm

Boss, with recon photos from Francis. The first two are just down the street from each other – too convenient

P, sorry for the delay in answering.

I think the right audience is the Governor, Mr Shwedo, Earl, Earl's work crew, and, if available, the homeowner. I also think we should ask for the County Admin and County EM as well as the Mayor to be there.

I'd recommend Tuesday as Mr Shwedo's swelling will have to go down first....

Thoughts?

I need to get these date options to Holly Pisarik ASAP and let her know what the photo op will entail – how many people (who) and location. Other than the Governor's team, who all would you like to be included in the photo – Earl only (or Earl and the work crew), Mr. Shwedo, etc.?

Thanks,

Phleisha
