Subject: RE: Ethics reform

---

Quote from Haley press secretary Chaney Adams, " Governor Haley has fought hard for four years for income disclosure, independent investigations of legislative ethics complaints and transparency for lawyer legislators who sue the state-- because this is something our administration has long believed needs to happen to ensure good government for the people. It's time to finish the job , no more excuses."

Subject: Ethics reform

Hey Chaney,

I'm hoping you're still around today. I was wondering if you could get a comment from the governor regarding her hopes and plans for ethics reform as we go into next session?

Thanks so much.
