No problem at all. Friday is pretty flexible for me if you want to connect in the Upstate; I would welcome the chance to chat with you in person.
I will give a shout out about the BJU event. I got an invite for that event, but am not sure I'll be able to make it. Will help promo either way.
Have a great weekend, Danny!

We'll be on our way back to Anderson by then. What's your schedule on Friday? Also, will you be at BJU for any of Ken Ham's conference? Lt. Governor Bryant will be introducing him on Monday at 1:30. We'd appreciate any coverage you might give him.

I'll be meeting with the RSIC Thursday afternoon this coming week. Can we meet for coffee in the afternoon around 3pm to discuss an event for y'all and a radio appearance?

Please let me know after you've set up your time with RSIC (you should hear from Tricia today), and we'll go from there.

Danny,

I so appreciate your call the other day and I look forward to working with you on many fronts. I will be in Columbia next week to meet with some members of the Senate, and would love to meet with the Chief Investment Officer if possible to get the ball rolling. I would also like to come and see you about helping you with some events for the LT. Gov.

Please, let me know if we can make this happen. It looks like Wednesday will be best if that works.

Thanks!

-Josh
