**Subject:** need emergency help for rent

I have tried many places to no avail  
tried Salvation Army, Lexington Interfaith Commission, Watery on Two Notch Rd. Everyone is saying they are out of funds I am A Senior Citizen that need help for one months rent and can not get help.  
I live at 200 Berryhill Columbia, SC  
I am pleading that I get some help to avoid eviction they placed a note on my door saying that if I pay after the 12th of this month they will not accept my rent on the 1st of July, This includes \$80 late fees and then added court fees. Please  
help me with my rent this once, the amount is \$769 dollars, plus \$80, and I have only \$300. I love alone my daughter moved out and it's a little bit harder to adjust. I do not get good stamps, so I have to buy good among other things. Please look into this for me I am not one looking for handouts.

Thank you very much.

Sincerely
