The lawyers might access to something that I don't, but I don't see the decision at the Supreme Court's opinions website. Not saying the decision doesn't exist - just saying I don't have access to it - at least at this point.

Rob â€”

Does the governor have any comment on todayâ€™s state Supreme Court opinion that her veto message, saying it only applied to the CON program, in fact struck down funding for a number of other vital programs administered by DHEC?

Appreciate your help.

Hope all is well.
