The Honorable Nikki Haley  
Governor  
State of South Carolina  
1205 Pendleton Street  
Columbia, SC 29201

November 23, 2015

Dear Governor Haley,

Season's Greetings! My colleagues and I at the Taipei Economic and Cultural Office in Atlanta present you with the 2016 Appointment Diary as a token of our appreciation for your ongoing friendship and support.

This year's Diary features "Musings on Taiwan's Museums." Taiwan has more than 200 museums showcasing a variety of art and artifacts reflecting the island's rich history and diverse society. The Diary comes in four keynotes colors – red, green, gold and blue -- each embodying a season. It focuses on the unique charms of 12 of Taiwan's museums. We hope one day you'll visit them, and many of Taiwan's other cultural and historic sites, in person.

This year, on November 7, President Ma Ying-jeou and mainland China's President Xi Jinping made history by meeting in Singapore. The meeting underscored Taiwan's commitment to peace and stability in the region, and both sides received international acclaim for their momentous step toward amicable relations not only in Asia but by extension, throughout the world.

May the coming year bring you health, happiness and prosperity. Happy holidays and happy New Year.

Warm regards,

  
Huei-Yuan (Steven) Tai  
Director General
