---

Representative Crosby,

The Governor wanted you to be aware that she will be in your district tomorrow for a ribbon cutting ceremony for TigHitco from noon to 1:00 p.m. in Ladson at 8450 Palmetto Commerce Parkway. The Governor and the Dept. of Commerce announced this project in September of 2011 for 350 new jobs and \$40 million in capital investment. The company manufactures composite structures for the aerospace and defense industries.

We tried reaching you over the weekend, but the cell phone number our office has for you is no longer in service. Please let us know a good cell phone number for you so that we can alert you of when the Governor will be in and around your district for economic development events.

If you have any other questions, please let me know.

Thank you,

Rebecca
