On October 6, 1987 bids were received on the above contract and it was recommended and approved for award by the Commission at it's meeting of October 15, 1987. On November 9, 1987 an award was made to the low bidder - S & S Construction, Inc., Anderson, S.C. Since that time, the contractor has not been able to start work on the contract due to conflicts with a privately owned sewer line on John Ballentine Road (Rd. S-2769). This road was approximately 50% of the contract and the contractor has requested that the contract be terminated. Therefore it is requested that the Commission's action approving award be rescinded and the contract cancelled.
