This was the final house version, please let me know if you want a different version.

33.25. (DHHS: Family Planning Waiver) With funds appropriated and authorized to the Department of Health and Human Services for Fiscal Year 2018-2019, the department shall prepare and submit to the Centers for Medicare and Medicaid Services (CMS) such waivers and state plan amendments that are necessary to ensure that no family planning funds may be expended to subsidize abortion clinics and none of the funds appropriated herein may be paid or granted to an organization that owns or is owned by an abortion clinic. The funds must be held until a decision is made as to whether to grant the waiver. If the waiver is not granted, than all funds must be submitted back to CMS.
