Before me, Theodore Jay Lee, a Notary Public for the State of NewYork and County aforesaid, personally appeared Rosa Lee Gibson residing at 22 Winchester Street, in White Plains, County and State of NewYork. and states that she is personally acquainted with Maebelle Hickman and has known her all her life as Maebelle Hickman. That a mistake of name on her birth certificate is wrong, The name on the certificate should read Maebelle Hickman and not Nina Viola Hickman as it now appear on the present blank.

A request is made to change reading to Maebelle Hickman.
