

Thank you again,

Sincerely,

Dear governor Haley,

September 21, 2015

I am writing to say thank you for several times that you have been kind to me. First, thank you so much for your kind letter recognizing my promotion to Eagle Scout Rank. I greatly appreciate you taking time out of your busy schedule to send me a letter and to write me a personal comment. In addition, I had the privilege to attend Palmetto Boys State this summer and I appreciated you taking the time to speak to our rally at the state House.

Also, I need to say thank you for sending me a birthday video greeting last October. It was during your bus tour and my uncle, Sam Holland, one of your photographers, videoed you and Mr. Haley wishing me a Happy Birthday. It was too cool! My mom reminded me many times to write and thank you, but I never did and I apologize for not thanking you sooner.
