No, I never heard anything more about this, but this was around the time of Amb. Rao's visit to SC.

Hi Clarke this ULR is not working. Do you know who went to this and has anything come of the conference?

Hi Bhavna,

Thanks for sending this. I had not even heard about it even though the World Trade Center is usually good about sharing their activities with us. We do not plan on sending anyone to the event that I know of at this time.

Dear Clarke,

This looks like a great opportunity for us to push our state, are you sending someone?
