Governor - Some feedback I've received:

From Horry County Council Chairman Mark Lazarus:

Rebecca,
Happy New Year! Hope all is well and you have a great 2016.
Please pass along to the Governor that i thought she did GREAT the other night with her speech. She made SC Proud!
Mark Lazarus

From Kit Gruelle:

Hi Rebecca,
I've moved out to Utah to be a program manager for the Utah Domestic Violence Coalition. I know you wanted me to take a look at your documents and comment on them. I'll work on that this weekend.
PLEASE thank Gov Haley for being so elegant, smart, and non-strident last night. She did a great job, and while I am a committed Democrat, I was (and remain) deeply impressed by her.
More soon.
Take care,
Kit

From Stephen Gilchrist, African American Chamber:

Governor Haley did a great job with the State of Union response! Please let her know this from us.
Thanks,
Stephen and Tammie Gilchrist
