Thanks Senator Martin for copying us on this email. Dear Ms. Wilson, Lieutenant Governor Bryant very much would like to participate in this kind of event. School choice is very high on his agenda, and I hope that you'll let us know as this program takes shape. I look forward to hearing from you soon.

Danny Varat

You are very welcome! I am very supportive of any method that helps a child learn. The parents can make the best decision on that method!

I have copied the Lt. Governor's Chief of Staff on this email so you can include him on the invitation.

Thanks,

Shane

Yes please do so!!! I sure will! School starts for us August 22nd. We will have Meet the Teacher in Columbia and Fall Festival will be around October or November. As soon as I know the date, time, and location I will let you know! Thank you for taking the time to read and respond to my email. I greatly appreciate it! I know some are not fond of virtual schools in SC. That was proved clearly in a recent article written and published in The Post & Courier in Charleston. SCCA appreciates your support and encouragement! Thanks! Morgan Wilson

Dear Mrs. Wilson,

Please send me the details when you have them, and I'll try to make this happen. I also know that the Lieutenant Governor might like to participate. May I pass this information on to him?

Thanks,

Shane

Hi Senator Martin-- My name is Morgan Wilson and I am the proud Mom of 3 wonderful kids. My oldest son will be a freshman in high school and my girls will be in 2nd and 4th grade with South Carolina Connections Academy. I just wanted to tell you how great SCCA works for our girls! It is amazing to see the progress that both girls have made with the school. We have been thoroughly impressed with the staff, teachers, and curriculum. We are so blessed to have school choice in SC and will definitely continue to be a advocate for SCCA and school choice. I am the Community Coordinator for the Central Upstate Area of SC (Greenville, Spartanburg, and Laurens Counties). I organize field trips and get together for our area. Our school hosts a Fall Festival every year at a local park in the Greenville area. We would love for you to attend if you are available that day to speak with some of students, families, and teachers and staff. If you would be interested in this please let me know and I will keep you updated of the date, time and location. Thanks! Morgan Wilson
