It is 22 miles one way. Our unit rate for transportation is \$1.85 for a point-to-point mile. He will need a lift fan which our contractor can provide. Thanks! Mary Beth

Subject: Transportation Question

Hi Mary Beth,

In follow up to your request for the family trying to bring their father home for Christmas, we have a couple of questions. First, how much would this round trip cost and second, what rate would be approved?

Thank you in advance for your assistance,
Anne
