Subject: Governor on 526?

Hi Chaney,

Good afternoon. I hope all is well in Columbia and maybe a little less rainy than here in Charleston. For my story today, I am covering the I-526 issues. I know the Governor appointed Vince Graham to head up the SIB. According to Charleston leaders and members of the SIB board, Mr. Graham has rebuffed Charleston County's efforts to reach a deal to finish the highway. Does the governor support finishing 526?

Thank you,
Stacy
