Good Morning Katherine,

Please let us know if anything needs to change.

Since this is the invite that will be mailed out to everyone – we would like to keep the Meet & Greet as is on the invite (so that everyone invited can mingle in the lobby), with the Governor's schedule/agenda as follows:

The Governor's Agenda from 9 – 9:15 a.m.:

Private meet and greet with Southwest Value Partners (owners), executives and management of The Westin Hilton Head Island Resort & Spa and Starwood Hotels & Resorts in meeting room (holding room) just off main lobby – will confirm name of meeting room this week.

As we discussed, Katie and I will send you a detailed list of everyone invited to attend the private meet and greet this week: the owners from Southwest Value Partners, Starwood Hotels & Resorts executives and local executives from The Westin management team. We will be able to confirm who exactly will be in attendance in the next couple of weeks. We will also send you the entire invite list.

Thanks! Jan
