South Carolina State Parks is premiering a video.

On February 2-3, 1865, Sherman's troops encountered one of the Confederacy's last stands as they swept across the South. Each year on these same dates, we remember those over 160 men who were killed, wounded, captured or missing from both the North and the South. Watch the illumination ceremony, as we bring it to you in video.

Jeff Litchfield The 20th South Carolina and the Palmetto Battalion would honor that event every year! One of the most authentic events I've done as a Civil War reenactor.
