Hank, so as to avoid any cross-pollination, can you please set up a LGOA Youtube channel and post there?  
Thanks

The Lieutenant Governor does have a youtube channel, but whether or not to put it on there is up to Danny.

Subject: Webinar

Good morning.

I have attached a summary of Monday's webinar. Additionally, we've also downloaded the video... it is too large to send by e-mail, though. Does the LG have a YouTube account that you / he would like to host the video on? If so, I can transfer it to a flash drive to upload. The video captures the entire screen that was seen in the room (video, presentation area, chat, attendees, etc.).

Thanks,
