Subject: RE: NEED YOUR HELP PLEASE

---

Lt. Govern,

I have been blocked by Chief Tollison at Easley Police Department and he has got everybody there now blocking me, no one will take my calls, my emails, he even has the Mayor of Easley and all of the city council to block me.

I have left a message for the Mayor but he will not reply.

I know you are higher than then and they have to listen to you

Please help me.

Thank you
